**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Of course Att wants you to prevent competition, it is your job to allow it. Preventing smaller broadband companies to rise is the main job of ATT s legal team which is bad for consumers and bad for development of new technologies. Att lost my business when they insisted on raising rates for less service. They should lose the FCCs business too.
